

West Salem Lacrosse Sponsorships

West Salem Lacrosse Club thanks you for your support!

Lacrosse is the fastest growing team sport in the nation at the high school level in the United States. With that being said, it is considered a non sanctioned sport in the state of Oregon. As a result most schools districts in our state, including Salem Keizer School District still do not financially support high school lacrosse.

Our program relies on player dues, club fundraising, and community support to cover our season expenses. Fundraising is critical to our ability to offer a great lacrosse program for our players.
